

How it works

Local Grocery Stores:

Once you know how much you will spend, come to the office Sunday morning when Josh Lander is here or during office hours.

Choose from Stop & Shop, ShopRite, Stew Leonard's or Caraluzzi's in denominations of \$25, \$50 or \$100. For every \$100 sold, you get the face value of the card but Beth El makes \$5 (Stew Leonard's is \$10). Those add up quick!

Go to the store and happy shopping knowing you are helping Beth El!

Hundreds of other gift cards:

We stock Amazon, Dunkin, Starbucks, CVS, Walgreens, Walmart, Target, Chipotle, Home Depot, Visa and many more. Dunkin and Starbucks make great end of year teacher gifts and come in denominations as low as \$10.

You can even buy ecards. Download the RaiseRight app or order via their website (<https://www.raiseright.com/brands>). Be sure to use the Beth El code so your order goes to Hilary Shaefitz and she will approve it. (Please select "Pay Coordinator" when checking out). Then you can email the ecard to someone else or keep it in your RaiseRight wallet for use later. It's a lifesaver for last minute gifts!

Many of these cards offer higher rebates to us. Some upwards of 10-15%!

Payment to us is check, cash, or Venmo. We can accept credit card payments for many of the cards if the rebate is 3% or higher.

Have questions? Contact giftcards@congbethel.org or Jody or Hope in the office.
