

Step-by-Step Login Guide:

How to Log In to Your ShulCloud Account

If you have never logged in before, or if it has been a while, don't worry! Follow these simple steps.

Step 1: Go to Our Website: <https://bethelnorwalk.org/welcome/>

Open your internet browser (such as Chrome, Safari, Edge, or Firefox) and go to the Congregation Beth El website.

Step 2: Click "Log In"

Look for the Log In button, located in the **upper right-hand corner of the website**. Click on it.

Step 3: Enter Your Email Address and Password

Type in the email address associated with your Congregation Beth El account and your password. If you are unsure which email you use, look for the last billing statement you received via email. That's the one to use!

Then click **Log In**.

Step 4: If You Forgot Your Password

Click the **"Forgot Password?"** link on the login screen.

Enter your email address and follow the instructions sent to your inbox to create a new password.

Step 5: If You Don't Remember Which Email Address You Used

Please contact Danielle or Hope in the synagogue office. They can send you a password reset link and help you determine which email address is connected to your account.

Please note: For security reasons, the office cannot see your current password. If needed, we can send you a link to reset it and create a new one.

High Holiday Registration and Donations:

This year, a **High Holiday Registration and Donation** link will be available on the Congregation Beth El homepage and included in our email communications.

Once you are logged in to your ShulCloud account, simply click that link to take care of all your High Holiday needs in one place.

Through the website, you will be able to:

- Register for High Holiday services and events
- Make High Holiday donations and tributes
- Complete any required information related to the season
- Submit payment securely online

Payments may be made by **credit card, Venmo, or check**, depending on your preference.
